Adopted 7/11/2019

All members of the International Friesian Show Horse Association (IFSHA) believe our conduct matters for both the well-being of the association and its members. We as an association are formed to promote the breeding, care, and showing of Friesian horses.

As members, our conduct transcends all areas of our goals, and includes how we deal with each other internally, and how we deal with the industry as a whole.

Our Code of Conduct sets forth our basic ethical principles and core values that are applicable to all of us. It helps guide us on how we conduct our association and activities.

All members are responsible for understanding and complying with the IFSHA Code of Conduct. All members are expected to:

- Promote ethical behavior at all shows and activities of IFSHA.
- Respect all other members and refrain from disparaging remarks about members or acts that are unethical.
- Promote the humane care of horses.
- Maintain a safe environment for all horses, their riders, owners, and participants.

Show Management will be on the grounds with the same schedule.

Your account will be closed out for you if you do not come to the Show Office to do so.

Refunds:

Entries will only be refunded (minus a \$25.00 handling fee) if a vet certificate verifying the horse's illness or injury and inability to compete is received **within 5 days of the event**. **No refunds will be issued for stabling fees, pre-ordered shavings, or all other fees.** Refunds in the event of severe weather or state/local emergency will be granted at the discretion of IFSHA and show management.

Unpaid balances will be charged 1.5% per month and a fee of \$25.00 per month. Minors who do not have a valid driver's license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind, including, but not limited to, golf carts, motorcycles, scooter, or farm utility vehicles, on the competition grounds of licensed competitions. Minors who have a valid temporary license may operate the above-described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule is solely responsible for any damages, claims, losses, or actions resulting from that operation. Violations of this rule will be cause for penalties against those responsible for the child committing the offense. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

The unsafe use of personal electronic transport devices, as determined by the competition officials and management, is their sole discretion, that do not require a driver's license to operate, including but not limited to segways, hover boards, and single wheeled scooters is prohibited on competition grounds. Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

USEF SAFESPORT TRAINING REQUIREMENTS

Approved August 27, 2018

SafeSport Rule Part 3

1. Every USEF member and Federation Participant* shall abide by USEF's SafeSport Policy and the U.S. Center for SafeSport Code of Conduct.* As described by the USEF SafeSport Policy, Federation Participant is any USEF member or non-member who participates in, or attends a USEF-Licensed competition or sanctioned event.
2. In order to comply with S.534 the Protecting Young Victims from Sexual Abuse and Safe Sport Authorization Act of 2017, the USEF SafeSport Policy, and the Center's SafeSport Code of Conduct, every USEF adult member and USEF participant, with the exception of the victim, is required to report sexual misconduct within 24 hours to the appropriate authorities and to the U.S. Center for SafeSport.
3. Beginning January 1, 2019, every USEF adult member with a Competing Membership must complete USEF's SafeSport Training, as approved by the U.S. Center for SafeSport (the center). BOD 8/27/18

Renewing USEF members must complete SafeSport training before competing.

*****A copy of your SafeSport Certificate of Completion must be submitted with entry if you are 18 years & over, unless completion is printed on your USEF Membership Card.***

MAAPP

It is a recent requirement that all USEF licensed competition participants be notified that 1) They adhere to the Minor Athlete Abuse Protection Policies (MAAPP) and 2) How to report violations and abuse allegations.

For background, the federal law known as Protecting Young Victims from Sexual Abuse and SafeSport Authorization Act of 2017 authorizes the U.S. Center for SafeSport (the center) to develop training and policies to prevent abuse, including physical, emotional, and sexual abuse within the US Olympic and Paralympic movements. It also mandates that reasonable procedures are established for one-on-one interactions with minor athletes. To this end the Center has drafted MAAPP which apply to all national governing bodies for sport, including the USEF.

USEF Participants are bound by the U.S. Center for SafeSport Code, USEF SafeSport Policy, and MAAPP. This includes the SafeSport training requirement for adult members and participants who have regular contact with minor athletes. Any concerns that are non-sexual in nature, please use the USEF SafeSport Incident Reporting Form available on the USEF website. Concerns or suspicions regarding sexual misconduct must be reported to: <https://safesport.i.sgmt.com/portal> and the authorities if a minor is involved. All of this information may be found in the USEF SafeSport Policy.

For questions or concerns relating to the USEF SafeSport Program, you may contact Sarah Gilbert, USEF SafeSport Program Coordinator at sgilbert@usef.org.
